

CONSTRUCTION SITE SWPPP COMPLIANCE, TOOLS, TRICKS AND TIPS

DATE: Thursday, November 2, 2017

TIME: 9:00 AM – 1:00 PM CT (8:00 AM – 12:00 PM MT)

REGISTRATION DEADLINE: Thursday, October 19, 2017

DELIVERY: Video Conference

PRESENTATION HOURS: 4 Hours

PRESENTATION DESCRIPTION

This presentation is designed to focus on strategies that will maintain compliance and minimize risk on your next construction project. We will concentrate on the procedures to make a SWPPP accurate, unique to each site, and compliant. This presentation is designed to prepare you with some tools to manage this process effectively. Remember, we have all seen good and bad SWPPP's. The key to a successful SWPPP, is one that actually gets used on a jobsite. Topics discussed will include:

1. Rules, Risks, and Ramifications
2. Site Assessment and Plan Design Basics
3. BMP Selection and Measurement
4. Inspection, Installation, and Enforcement

SPEAKER(S)

Jennifer Hildebrand, CPESC, CPSWQ, CESSWI, Environmental Compliance Group Manager, WSB and Associates, Inc. Jennifer has been involved in the erosion and sediment industry for more than 23 years. She has a M.A. in business administration from Augsburg College and specializes in compliance strategies within the stormwater market. Jennifer has a vast background of experience in stormwater, erosion, sediment, control programs and techniques. Jennifer has helped establish specifications and standards in Wisconsin, Iowa, Minnesota, North & South Dakota and Manitoba, Canada.

TARGET AUDIENCE

Construction, Design, Environmental and Maintenance personnel involved in SWPP development and management
